

HP Slate²¹ Pro All-in-One

Plug in, turn on, and get down to business

Meet your business-focused Android™ all-in-one designed for productivity in office, education, and kiosk environments. Enjoy excellent performance at an affordable price and access a compelling new generation of local and cloud-based business apps¹, efficient manageability tools, and security enhancements

A million resources at the ready

- Get everything you need for everyday business—a 21.5-inch diagonal Full HD² IPS touchscreen, Android™ 4.3 operating system, and access to over one million landscape and portrait apps on Google Play™.¹
- Keep your business moving forward with the power and performance of NVIDIA Tegra 4 quad-core processor.

Be productive on the ground and in the cloud

- Do more the way you work best—with local productivity apps like Kingsoft Office Suite, or in the cloud with Google Docs™, Google Drive™, and 50 GB free Box³ cloud storage.
- Work smarter and keep up with projects, regardless of Android™ device. Switch easily between mobile and desk-based Android™ with autosynching and Google Cloud Services™ through your personal log-in.
- Video conferencing with integrated HP HD 720p Webcam, microphone, and speakers with DTS Sound+ Audio. Use preinstalled collaboration tools, such as Google Hangouts™, Skype or HP MyRoom.⁸
- Easily print to any networked printer, your HP ePrint printers without a direct connection, or print servers using integrated HP ePrint software¹¹ directly from Kingsoft Office or your browser.
- Toggle from your Android to content displayed on your Windows PC. Connect a Windows PC to your HP Slate²¹ Pro AiO with an HDMI-in connection and included USB upstream cable for a touch display.

Citrix Ready and HDX Verified for easy deployment and management

- Give users simple, scalable access and enable IT to manage apps and ensure device security and corporate compliance with pre-installed Citrix XenMobile⁴.
- Deliver a virtual workspace with secure data and Windows app support via Citrix Receiver.⁵
- Citrix Ready certification helps ensure seamless compatibility with Citrix solutions. Enjoy a great user experience when accessing Windows data and applications with preinstalled Citrix Receiver⁵ and Citrix Ready HDX Verification.

Integrated security

- Help protect your business and prevent unauthorized access with security enhancements for Android™.
- Create restricted user profiles and protect from unwanted access with Security Enhancements for Android™.
- Physically secure the AiO with an optional Kensington lock to keep your desktop in place.
- Works as a single-user desktop or a multi-user kiosk with customized logins, admin controls and kiosk settings. Recline or mount on a swing arm or wall for plenty of options for placement.¹⁰

Global reassurance

- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection beyond the standard warranties, select optional HP Care Pack Services.¹²

Color	Black
What's in the box?	HP Slate ²¹ All-in-One 1.8 m USB upstream cable 1.9 m power cable Wired USB keyboard and mouse

Quick Start Guide

Warranty

3-year limited warranty, including telephone support 24/7; terms and conditions may vary by country; other HP Care Pack Services available.¹²

1. Internet access required. Apps may require purchase. Google Play is not available in all countries. App compatibility based on Google Play
2. High-definition (HD) content is required to view high-definition images.
3. Requires Box registration. Offer subject to change without notice.
4. Citrix Worx Home for Android is pre-installed and ready to be managed by Citrix XenMobile. Customers who have already purchased Citrix XenMobile can enroll immediately. A 30- or 60-day Citrix XenMobile trial is available through the Citrix icon on the HP Slate21 Pro home screen. Subscription service required after trial period ends.
5. Citrix Receiver is pre-installed and ready to be utilized for customers who have already purchased Citrix XenDesktop.
6. Quad Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology.
7. Wireless access point and Internet service required.
8. The preinstalled MyRoom app for Android allows you to attend meetings set up by others.
9. HP Classroom Manager for Windows required to enable Android functionality (download for free for 30 days at hp.com/go/hpclassroommanager). Control and device locking originate from the teacher's Windows desktop console; no locking and control functionality originates from HP Classroom Manager for Android.
10. Mounting hardware sold separately.
11. Requires an Internet connection to a HP web-enabled printer and HP ePrint account registration. For complete details, see hp.com/go/mobileprinting.
12. HP Care Pack Services are sold separately. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. See hp.com/go/cpc for details.
13. Sold separately or as an optional feature.
14. EPEAT® Gold registered in the US. See epeat.net for registration status by country.
15. Weight and system dimensions may fluctuate due to configuration and manufacturing variances.
16. Wireless Broadband use requires separately purchased service contract. Check with service provider for coverage and availability in your area.
17. Requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see hp.com/go/eprintcenter). Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary.
18. 50GB of free storage available. For complete details and terms of use, including cancellation policies, visit the website at box.com. Internet service required and not included.
19. You can try MyRoom Premium 4-person account free for 1 year from the MyRoom app. Please review the MyRoom system requirements on this site. Purchase required after the 1-year trial offer ends. For additional capabilities, you can purchase MyRoom that will work for your needs from myroom.hp.com.
20. Citrix Worx Home for Android is pre-installed and ready to be managed by Citrix XenMobile. Customers who have already purchased Citrix XenMobile can enroll immediately. A 30- day Citrix XenMobile trial is available through the Citrix icon on the HP Slate21 Pro home screen. Subscription service required after trial period ends.
21. Internet access is required and sold separately.
22. For Solid State Drives (SSD), GB = 1 billion bytes. Actual formatted capacity is less.
23. 12.4 GB is available for user. Total flash storage used for OS, preinstalled apps, recovery is up to 3.6 GB.
