WHY AS-A-SERVICE?

- Recurring revenue = stable income
- A profitable, reliable and sustainable business model
- Longer and stronger relationships with your customers
- Ability to build a valuable merchant portfolio
- Ability to compete with the influx of tablet systems

WHY HARBORTOUCH?

- Up-front bonuses + long term recurring revenue
- Harbortouch provides the equipment
- Harbortouch can install, or you can install for additional bonuses
- Harbortouch can provide support, or you can offer your own service contract for additional revenue
- Transition to “as a service” without the risk
