CLINICAL LEADER SOLUTIONS EXPO

TRIAL TECH WEEK
FEB 11-13 & AUG 26-28

PATIENT & CRO SOLUTIONS WEEK
MAY 6-8 & NOV 18-20

OPPORTUNITY SUMMARY

The Clinical Leader Solutions Expo is a virtual event created to support clinical research professionals in making informed decisions about technologies and suppliers critical to clinical trials. The Expo brings together experts and suppliers in an accessible, cost-effective digital format, offering a streamlined way to evaluate solutions that impact patient safety, data integrity, and site compliance.

For presenters, this is an opportunity to showcase your expertise and connect directly with decision-makers who are actively seeking guidance. By sharing your insights, you'll position yourself as a thought leader, influence key decisions, and play a role in shaping the future of clinical research by helping attendees make more informed supplier choices.
